### Proposed Amendment to the bylaws:

Article VI: Officers

Section 2: Duties in respect to the position of the Vice Bead, second sentence.

The proposal is to add "monitor and respond appropriately to incoming email messages submitted through the general email address on the MBS web page."

The bylaws have not been updated to include the Vice Presidents responsibility of addressing incoming email messages that are sent to MBS through the [info@madisonbeadsociety.org](mailto:info@madisonbeadsociety.org) email address. This task, up to now, has been communicated verbally from the exiting Vice Bead to incoming Vice Bead.

**Currently posted in the bylaws as:** The Vice Bead will chair committees on special subjects as designated by the board.

The revision as adopted will read:

The Vice Bead will chair committees on special subjects as designated by the board as well as monitor and respond appropriately to incoming email messages submitted to the general email address on the MBS web page which is currently

## UW Hospital Display – September 2009

This September, MBS will have a display at UW Hospital – this is the 5th or 6th time we've displayed there. It's a chance for the society to reach out to potential members and gives members an opportunity to sell. Display items are sold through the Hospital's gift shop; 20% of sales is donated to the Hospital's art fund.

The display will go up around Labor Day and will be taken down at the end of September. Wally Brinkmann (who is coordinating this) will return all unsold items, as well as checks or cash for items sold, at the October MBS meeting. Let her know if you need your items before that date. Any items not picked up at the October MBS meeting will be available at the Bead Bin a couple of days after the meeting. Wally will send a check amounting to 20% of all items sold to the Hospital's art fund. Artists who had items sold need to reimburse her. Email [info@madisonbeadsociety.org](mailto:info@madisonbeadsociety.org) if you have any questions.
